AUTUMN -- A BEAUTIFUL SEASON FOR A BEAUTIFUL YOU

The leaves are changing and even with the recent warm days, the cool evenings remind us that winter is just around the corner. At Seasons, we're continuing our educational seminars, so you can discuss a variety of anti-aging and skincare techniques in a small, non-threatening group. Our first seminar, "Hydration, It's Not Just for Dry Skin", was a huge success and we were able to help support the Breast Cancer Foundation of the Ozarks. Pat Moore won one of two gift certificates for our new Ultra-Tone Facial. She described her facial as heavenly in an article in the Springfield NewsLeader. That article and photos from the seminar should be posted at www.SeasonsMedicalSpa.com next week. We have a new on-line survey and Seasonal on-line specials. Check it out!

Helping you look your best through life's every Season,
 Cindy Morrow
 Seasons Spa Director

**It' Not Too Late...Join us for our FREE October Seminar
 IPL PHOTOREJUVENATION**

This Week!

Thursday, October 5, 6:30 – 7:30 pm – or Saturday, October 7, 9:30 – 10:30am

Discover how IPL can dramatically improve the look of sun damaged skin by fading or eliminating brown spots, redness, and the appearance of broken capillaries. Enjoy an assortment of cheese and crackers and a time for questions and answers. Door prizes will be awarded and a one-time discount will be available for those attending this seminar.

For information, call 417-882-1133 or e-mail information@seasonsmedicalspa.com

MARK YOUR CALENDAR – UPCOMING EVENTS

Beautifully wrapped and ready for giving

AN INSIDER'S GUIDE TO BOTOX® COSMETIC

WHY GET TREATED WITH BOTOX® COSMETIC?

You've probably heard a lot about BOTOX® Cosmetic. It's discussed on Oprah, the news, fashion and beauty magazines. You may have discussed it with your friends, and even laughed at some frozen, over-treated faces you've seen on TV.

Could this be what you've been looking for? This brief procedure can smooth those moderate to severe frown lines between your brows, the lines across your forehead and even soften the crinkles beside your eyes. With no surgery and no recovery time, you can see improvement within days, lasting for up to 4 months. Results may vary.

BOTOX® Cosmetic is especially helpful for the stubborn frown lines between your brows that make you look tired or upset. After treatment, some patients have reported that co-workers and family members no longer think they look angry all the time. A happier, more relaxed appearance can improve your self-esteem and personal and career relationships.

Although the results are visible, a treatment with BOTOX® Cosmetic will not radically change your facial appearance or make you look as if you "had work done." The muscle activity that causes frown lines between the brows is simply reduced. You can still frown or look surprised.

Almost 3.3 million procedures were performed in 2005 alone – a 16% increase over 2004. Not just models and movie stars, but people from all types of professions have tried it.

BOTOX® COSMETIC AT SEASONS MEDICAL SPA

At Seasons, all BOTOX® Cosmetic treatments are performed by Medical Director N. Eugene Morrow, M.D. Dr. Morrow is certified by the American Board of Dermatology and a member of the American Society of Cosmetic Dermatology and Surgery. With extensive experience with injections and surgical procedures in the eye area, he also has specialized training with BOTOX® Cosmetic.

Your appointment will begin with a consultation. Dr. Morrow will determine where to administer the injections by examining your ability to move certain muscles in your brow area. The location, size, and use of the muscles that create a furrowed brow, wrinkled forehead, or eye creases vary markedly among individuals. A few tiny injections, and within days there can be a noticeable improvement your appearance that can last up to 4 months. Results may vary. And there's no recovery time. Meetings...deadlines...chauffeur the kids...picking up

something to eat on your way home – you've got a lot going on. But you know you have to make time for yourself, too. Call Seasons, 417-882-1133, to schedule your appointment for a FREE consultation, today.
