Anti-Aging Treatment Additions

IPL™ Fotofacial Photorejuvenation
Improves brown spots, freckles, rosacea, redness and broken veins and capillaries. Requires no downtime. Enjoy smoother, firmer skin and a radiant, brighter complexion.

Botox® Cosmetic Wrinkle Reduction
FDA approved procedure that reduces fine lines and wrinkles caused by facial expressions. More youthful, relaxed and refreshed appearance after just one treatment.

Restylane® Injectable Filler
FDA approved procedure that smoothes wrinkles and shapes facial contours. Especially effective for nasolabial folds and fine wrinkles around your nose and mouth. Also used to increase the size of lips for plumper, more kissable lips!

Laser Hair Removal

Enjoy freedom from waxing, shaving and plucking unwanted hairs.
Great for facial hair, underarms and bikini.

*Skincare Kit Includes: Grapefruit Cleanser, Grapefruit Toner, Active Daily Hydrator, Oil-Free Sunblock (May be customized based on skincare needs)
FREE Body Relaxation Kit with packages valued at \$200 or above: Body Lotion, Bath Salts, Aromatherapy Candle, Glycerin Soap
